Learning together – Empowered for life

11 December 2019

Dear Parent/Carer

We have a convenient new way for you to check and update your child's personal and contact details - the SIMS Parent app. You can access the app from a smartphone, tablet or PC – anytime, anywhere.

Getting started with the SIMS Parent app

1. Within the next 24 hours we will send you an activation email, simply click on the link from your tablet, PC or smartphone to activate your account.
2. You can then login using your normal **Facebook, Twitter, Google** or **Microsoft** username and password.
3. From your smartphone or tablet, download the app from the [Google Play](#) or [Apple App](#) store - search for **SIMS Parent**.
4. From a PC or Windows phone, login online at www.sims-parent.co.uk

Please note that your activation email is unique to you and should not be used by anyone else.

If you require an additional login then please contact your school.

Your activation email will expire after 14 days if it is not used, please contact your school if you require a replacement after this date.

Yours sincerely

P Hill
